Help improve your organisation's productivity and efficiency with the Sharp MX-C380P workgroup colour laser printer. This new addition to the Sharp A4 product line provides high performance and professional quality output. Built with the same dynamic architecture as Sharp's line of award-winning A4 MFPs - and sharing common options and supplies with these products - the MX-C380P will integrate easily into your existing workgroup configuration. The MX-C380P delivers rich, vibrant colour prints at an impressive speed of 38 pages per minute. A high-resolution, colour LCD screen with graphical user interface simplifies operation. Sharp's Printer Administration Utility and Printer Status Monitor let you monitor, manage and configure the printer. And it even comes with Sharp OSA as standard to allow integration with network-based applications. To help safeguard the confidentiality of your intellectual property, Sharp's award-winning security suite is included and can be enhanced with the optional data security kit.
