The XEA303 is an Electronic Cash Register which boasts many advanced features within a compact and robust body. Suitable for busy retailers, the XEA303 features a fast 17.3 lines per second thermal printer which enables quick customer service yet producing high quality paper receipts. A good sized lockable cash drawer is included with the XEA303 and for improved operator information, a twin line display means that pricing and text is displayed clearly. For those who need to have a full audit trail, a second printer allows for a journal roll to be kept to record all transactions that take place on the cash register. As Sharp's premium XE series machine, the XEA303 is not only reliable but also affordable and is an indispensable companion for many retailers.
