

COMPLIANCE STATEMENT

REACH REGULATION

2015-12-28

To whom it may concern,

REACH (1907/2006/EC) is a regulation of the European Union, adopted to improve the protection of human health and the environment from the risks that can be posed by chemicals, while enhancing the competitiveness of the EU chemicals industry. REACH stands for Registration, Evaluation, Authorisation and Restriction of Chemicals.

Based on information provided by our suppliers and/or NEC's own investigations, NEC designates the product(s) listed below as REACH compliant, at the time this statement has been issued.

Description: 19" LED Display
