

Information on Substances of Very High Concern (SVHC's) for the REACH regulation

With reference to Article 33 in EU Regulation No. 1907/2006 (REACH), there is a possibility that the SVHC content of the NEC product is greater than the 0.1% weight-by-weight threshold. Therefore, **NEC Display Solutions GmbH** is providing the following information regarding the possible SVHC content of the NEC product:

1. Product Supplier Information

Address:	NEC Display Solutions, Ltd.
Contact details:	686-1, Nishoi, Oi-Machi, Ashigarakami-Gun, Kanagawa 258-8533, Japan
Name:	Shuichi Kino
Candidate List Release date:	28.10.2008

2. Product Information

Product name:	LCD2190UXp
EAN number:	5028695104556
Product weight (Kg):	10,7

3. SVHC Content Possible Information

Name of the SVHC's possibly contained in the article	CAS No.
Dibutyl phthalate	201-557-4
Bis (2-ethyl(hexyl)phthalate) (DEHP)	204-211-0
Benzyl butyl phthalate	201-622-7

4. Information to use the product safely

This product can be used safely within the specified usage functions provided by the product itself. Please refer to the instruction manuals or other documents attached to the product for the specified usage functions of the product.

EU-wide legislation, as implemented in each Member State, requires that waste electrical and electronic products must be disposed of separately from normal household waste. When you need to dispose of your NEC display products, please follow the guidance of your local authority, or ask the shop where you purchased the product, or if applicable, follow any agreements made between yourself and NEC.
