Wall Mount PDW T XXL

XX-Large Universal Wall Mount for NEC Displays

Universal XX-Large wall mount with tilt function for NEC Large Format Displays from 80" to 98"

The PDW T XXL delivers enhanced display compatibility, accommodating Large Format Displays for use in either landscape or portrait mode. Its open wall plate architecture delivers placement flexibility and increased electrical and cable management access. Its exclusive pre-tensioned display adaptor design offers quick and easy tilt viewing angle adjustment, enabling putting the final touches on the installation to be increasingly fast and simple.

PDW T XXL

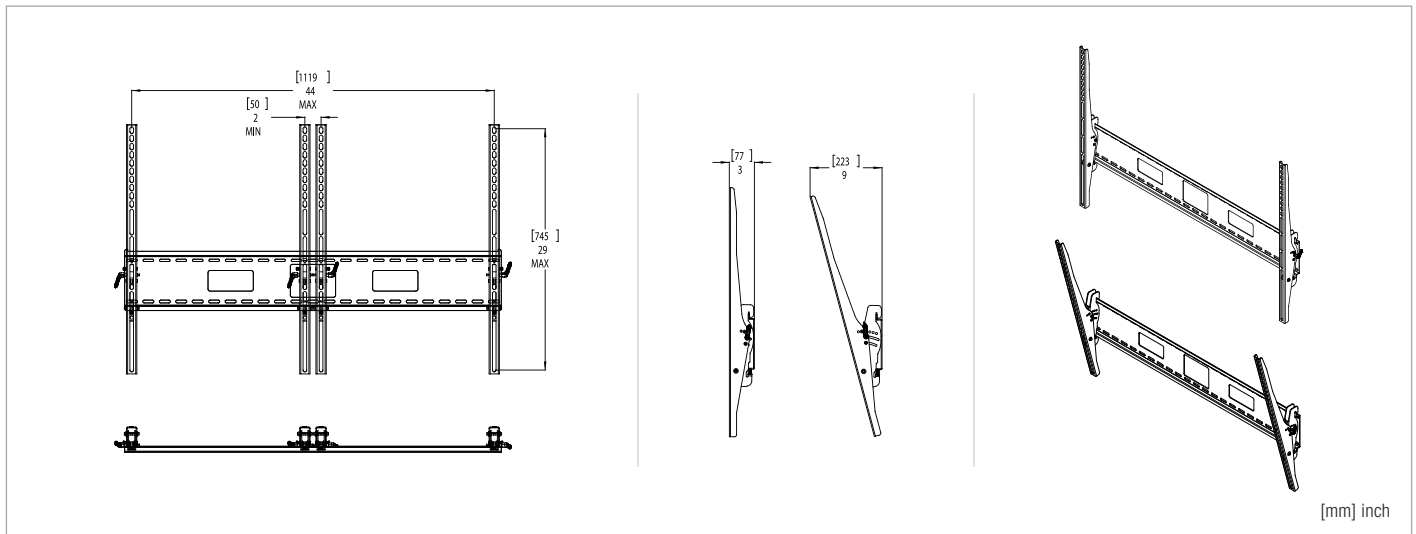

Video Conferencing Shelf PD01VC (OPTIONAL)

Delivering Genuine Benefits

- Only one mount for landscape and portrait orientation
- Universal display adapters easily hook onto wall plate for fast installation
- Tilt adjustment up to 15° of forward tilt and -5° backward tilt for optimal viewing angle
- Offers pre-set tilt positions of -5°, 0°, 5°, 10°, 15°
- Pre-tensioned universal tilt display adapters allow for tilt adjustment without the use of tools
- Easy-grip lever locks the display position into place
- Integrated security options available
- Optional video conferencing shelf PD01VC available (mounts directly to the wall to install above or below the display)
