Workgroup A4 Black & White Printer

MX-B427PW

Highly dependable compact printer packed with smart functionality.

- A4 black & white printer with speeds of up to 40ppm

- Two-line LCD control panel makes it easy for everyone to configure, interact with, and monitor vital system information

- Reliable, flexible media handling supports cardstock, small media, and envelopes from the main tray or the multipurpose feeder
- Compact footprint*1, simply place it on a desk or anywhere that space is limited
- Multi-layered security features keep information safe in the document, on the device, and over the network

- Wireless connectivity enables easy access from mobile devices and flexible printer placement
- Supports AirPrint which automatically detects MFPs and printers on the same network. It then lets you print directly from a mobile device without the need for a printer driver
- SRDM (Sharp Remote Device Manager)*2 software allows centralised control of networked printers and MFPs
- Sharp's printer driver setup window features a user-friendly design
- Energy management features reduce power consumption in active use or sleep mode

*1 Footprint refers to the part directly adjacent to the floor or desk space *2 Contact a Sharp customer representative for availability and other details
