The MX-M623U sets a new standard for high performance departmental MFPs. Not only does it produce exceptional quality images with professional finishing at speeds of 62 pages per minute but everything about it has been designed to increase workgroup productivity. Complex jobs can be handled with ease thanks to a generous paper capacity; fast full colour scanning speeds; a handy 8.5" LCD touch screen; powerful productivity tools; 80 GB hard drive and a variety of finishing options including a 100-sheet staple finisher, saddle stitch finisher and inserter. Integrated document management on both your PC and the MX-M623U's built-in hard disk enables your office to communicate clearly, share information effectively, and scan and send data electronically. They can also be supplied with Sharp OSA giving you access to a wide range of third party software solutions.
