

MOBILE, HEIGHT-ADJUSTABLE, AUTOMATIC MOUNT - PJ03MHA

ORDER CODE: 100013384

High-end Mobile, Motorized, Height-Adjustable Mount for NEC Short-Throw Projectors

Motorized height-adjustable trolley for short-throw projectors offering moveable and ergonomic interactivity, with focus on stability, mobility & flexibility. The unique design completely hides cables and peripherals inside the product and makes it the ideal solution for schools, corporate customers, conferences and hotels. Electrical height-adjustment makes it easy to adjust the screen to different users.

PJ03MHA – side view

PJ03MHA – front view

PJ03MHA – back view

Delivering Genuine Benefits

Motorized height-adjustment to adjust the screen to different users

Very stable design to prevent the whiteboard from shaking when touched

Professional cable management inside main body

Storage space for equipment

Easy to move (large handles as standard)

Lockable 100mm casters enable safe and easy maneuverability over various flooring surfaces

Highly preassembled to make installation quick and easy

Universal mounting for the whiteboard

*whiteboard not included
