Built with cutting-edge and eye catching design, to the most stringent criteria, the UP-V5500 is custom built for today's hospitality environment. The UP-V5500 full touch-screen terminal is compact enough to fit seamlessly and discreetly into any point of sale area. The screen itself features a 38cm full colour LCD display, creating an attractive user friendly interface that minimises operator training. The fanless construction combined with the Intel® Atom™ processor offers good performance but energy efficient. Therefore the UP-V5500 provides an ideal allround POS terminal.
