Stand up and stand out

Digital Signage Stands

Helping your organisation with communication, and making a great first impression

Join the digital revolution to improve your internal and external communications

- 55" or 65" screen available in portrait or landscape

- 4K Ultra HD native screen resolution

- LED backlight technology full array brightness (cd/m2) 350

- Two built-in 10W speakers

Digital signage has exploded in popularity in recent years because of its lasting impact. It now plays a major role in modern communication, advertising work, and everyday life.

Whether you're raising awareness of your latest sales promotion, or simply welcoming guests with tailored messages, Sharp's new digital signage solutions get your content up and running in no time.

Both the 65" and 55" landscape and portrait stands are freestanding with no hard fixings, so you aren't tethered to a single location. This means both stands can be moved and positioned in the most convenient and suitable location for you, with ease.
