

WALL MOUNT PD(02)W T M P/L & PD(02)W T L P/L

UNIVERSAL MEDIUM & LARGE TILT WALL MOUNT

Solid universal wall mount with tilt function for NEC Large Format Displays from 32" to 65" available for either landscape or portrait orientation.

Together with specific connectors, this wall mount includes a variety of features to make multi display installations fast and easy. It is therefore the ideal solution for quick serve restaurants and for airport flight information boards. In addition optional video conference accessories make it the perfect choice for any kind of meeting room situation.

Delivering Genuine Benefits

Provides effortless tilting by using the center of gravity to balance the screen

Post-installation lateral shift allows displays to slide apart and back together to simplify installation and maintenance

Hear an audible click when the displays safely engage with the mount

Provides low-profile, fingertip tilt

Built-in cable stand provides easy access under the screen

Optional Connector Kits easily connect mounts to create multi-monitor menu board configurations

Optional accessories (Video Conference Shelf, Component Shelf, etc.) make it the perfect solution for video conferencing applications
