

HEAD UNITS DISASSEMBLY REPORT

- Before you disassemble the set, turn off power and pull out the power plug.
- Use the proper screwdriver. If oversize or undersize screwdriver is used, screws may be damaged.
- Assembly is the opposite process of disassembly.

A

CAUTION

– READ BEFORE PROCEEDING

To remove monitor from the carton box remove the top filler. Then, to avoid damaging the LCD module, with one hand grip the top of the display by the built-in handle and lift out. While lifting the monitor out of the carton box, the stand may extend. For safety please use the other hand to grip the bottom of the monitor as soon as it becomes accessible. Please do not touch the LCD panel surface while lifting it out.

ATTENTION

– A LIRE AVANT D'OUVRIR L'EMBALLAGE

Pour retirer le moniteur de la boîte en carton, vous devez d'abord retirer le rembourrage supérieur. Puis, pour éviter d'endommager le module LCD, saisissez d'une main le haut du moniteur par la poignée intégrée et soulevez-le. Il se peut que le support s'étende lorsque vous retirez le moniteur de la boîte en carton. Par mesure de sécurité, saisissez la partie inférieure du moniteur dès qu'elle devient accessible. Veuillez ne pas toucher la surface du module LCD lorsque vous le sortez.

UPOZORNĚNÍ

– PŘEČTĚTE SI TENTO TEXT PŘED DALŠÍM POKRAČOVÁNÍM

Před vyjmutím monitoru z obalu odstraňte vylpň v horní části balení. Aby nedošlo k poškození panelu LCD, uchopte jednou rukou horní okraj displeje za vestavěnou rukojeť a zvedněte jej. Při zvedání monitoru z obalu může dojít k vysunutí z podstavce. Z bezpečnostních důvodů uchopte druhou rukou monitor ze spodu, jakmile to bude možné. Při zvedání zařízení se nedotýkejte povrchu panelu LCD.

ATTENZIONE

– LEGGERE PRIMA DI PROCEDERE

Prima di estrarre il monitor dalla scatola di imballaggio, rimuovere il materiale di protezione posto sulla parte superiore. Per non danneggiare il modulo LCD, afferrare con una mano la maniglia incorporata nella parte superiore del monitor e sollevarlo. Mentre si estrae il monitor dalla scatola di imballaggio, il supporto potrebbe estendersi. Per motivi di sicurezza, afferrare la parte inferiore del monitor con l'altra mano non appena possibile. Mentre si estrae il pannello LCD, non toccare la superficie.

LET OP!

– LEES DIT VOORDAT U HET PRODUCT UITPAKT!

Verwijder eerst de bovenste laag van het verpakkingsmateriaal voordat u de monitor uit de kartonnen doos haalt. Ga als volgt te werk om beschadigingen aan de LCD-module te vermijden: til met één hand het scherm aan de ingebouwde hendel uit de doos. Het voetstuk kan meegeven terwijl u de monitor uit de doos tilt. Gebruik daarom voor de zekerheid uw andere hand om de onderkant van de monitor vast te pakken zodra hij uit de doos komt. Raak het LCD-oppervlak NIET aan wanneer u het product uit de verpakking tilt.

UWAGA!

– NAJPIERW PRZECZYTAJ

W celu wyjęcia monitora z pudełka kartonowego, należy najpierw zdjąć górną pokrywę. Aby nie uszkodzić modułu z ciekłego kryształu, należy jedną ręką chwycić górną część wyświetlacza za wbudowany uchwyty i unieść go, wyjmując z opakowania. Podczas wyjmowania monitora z pudełka kartonowego może dojść do rozłożenia podstawki. Z powodów bezpieczeństwa proszę drugą ręką chwycić spodnią część monitora, kiedy tylko będzie to możliwe. Nie dotykaj powierzchni panelu z ciekłego kryształu podczas jego podnoszenia.

ВНИМАНИЕ

– ПРОЧИТЕ, ПРЕЖДЕ ЧЕМ ПРОДОЛЖИТЬ

Чтобы извлечь монитор из картонной коробки, удалите верхний защитный упаковочный материал. Затем, во избежание повреждения ЖК-модуля, одной рукой возьмитесь за встроенную ручку, расположенную в верхней части монитора, и поднимите его. При поднятии монитора может выдвинуться подставка. В целях безопасности второй рукой придерживайте нижнюю часть монитора. Не трогайте поверхность ЖК-панели, когда будете вынимать монитор из коробки.

UYARI

– DEVAM ETMEDEN ÖNCE OKUYUN

Monitörü karton kutudan çıkartmak için, önce üst kısıpı çıkartın. Daha sonra, LCD modülü zarar vermemek için, bir elinizle tutamajından ekranın üstünü tutarak dışarı çekin. Monitörü karton kutudan çıkartırken destek açılabilir. Güvenlik amacıyla, erişilebilir olduğu anda monitörün altını diğer elinizle kavrayın. Lütfen dışarı çekerken LCD panel yüzeyine dokunmayın.

VORSICHT

– VOR DEM AUSPACKEN LESEN

Um den Monitor aus dem Karton herauszunehmen, müssen Sie das Füllmaterial entfernen. Um Beschädigungen des LCD-Moduls zu vermeiden, fassen Sie dann das Display mit einer Hand oben am Handgriff an und heben Sie es heraus. Beim Herausziehen des Monitors aus dem Karton wird eventuell der Fuß ausgefahren. Benutzen Sie aus Sicherheitsgründen bitte Ihre andere Hand, um den Monitor unmittelbar nach dem Anheben an der unteren Seite festzuhalten. Berühren Sie die Oberfläche des LCD-Bildschirms nicht, während Sie ihn aus dem Karton ziehen.

ΠΡΟΣΟΧΗ

– ΔΙΑΒΑΣΤΕ ΠΡΟΤΟΥ ΣΥΝΕΧΙΣΕΤΕ

Πα να αφαιρέσετε την οθόνη από τη χάρτινη συσκευασία, αφαιρέστε πρώτα το φελλό της άνω πλευράς. Στη συνέχεια, για να αποφύγετε την πρόκληση βλάβης στην οθόνη LCD, με το ένα χέρι πιέστε το επάνω τμήμα της οθόνης από την ενσωματωμένη λαβή και τραβήξτε τη προς τα έξω. Κατά την έξοδο της οθόνης από τη χάρτινη συσκευασία, ίσως προεξέχει η βάση. Για λόγους ασφαλείας παρακαλώ χρησιμοποιήστε το άλλο χέρι για να πιέσετε το κάτω τμήμα της οθόνης από τη στιγμή που θα είναι εύκολη η πρόσβαση σε αυτό. Παρακαλώ μην αγγίζετε την επιφάνεια της οθόνης LCD καθώς την τραβάτε προς τα έξω.

PELIGRO

– LEA ESTAS INSTRUCCIONES ANTES DE CONTINUAR

Antes de extraer el monitor de la caja de cartón, retire el relleno superior. A continuación, para evitar que se dañe el módulo LCD, sujete con una mano la parte superior del monitor agarrándolo por el asa y levántelo. Al extraer el monitor de la caja de cartón, puede que se extienda el soporte. Para mayor seguridad, sujete la parte inferior del monitor con la otra mano en cuanto esté accesible. No toque la pantalla de cristal líquido al extraer el monitor.

注意

上側の緩衝材を先に取り出してください。
